GENEALOGY AT A GLANCE: GERMAN GENEALOGY RESEARCH

[DOWNLOAD](#)

2011. Soft Cover. Book Condition: New. 8.5 x 11 in. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. As surprising as it sounds, you can learn the basic steps in German genealogy in just a few moments. That's all it takes to read *Genealogy at a Glance*, which is designed to cover the basic elements of German genealogical research in just four pages, giving you as much useful information in the space allotted as you'll probably ever need. Written by German genealogy expert Ernest Thode, it can be read at a glance and used with total confidence. It is said that more Americans are of German origin than any other nationality, yet Germany wasn't created as a sovereign state until 1871. Germanic origins are therefore quite diffuse, covering most of the German-speaking regions of central Europe, including Austria, Switzerland, portions of Belgium, Denmark, Poland, and parts of the Austro-Hungarian Empire. Genealogical research into German origins is thus understandably complex, and the wonder of Mr. Thode's work is that it covers so much ground so quickly. Thode's *German Genealogy Research* guides the researcher through German records with maximum efficiency, then brings him to the American side of the story with an outline of German emigration patterns and a pinpoint guide to the massive body of German-American records most in use today. Starting with the first German settlers in 1683, then working through the various emigration waves all the way up to the farmers and small tradesmen from southwestern and central Germany who came to America in chain migrations in the mid-nineteenth century, and German speakers who came from outside Germany in the late nineteenth and early twentieth centuries, Thode's *German Genealogy Research* provides...
