Hunthaven Press. Paperback. Book Condition: New. Paperback. 30 pages. Dimensions: 7.9in. x 5.3in. x 0.2in. Unlocking the mystery behind POINT OF VIEW: why is point of view important to a novelist, and how can we make sure we're using it correctly? Which serves the story better--first person, third person, omniscient, or the quirky second? Using thirty years of writing experience, Angela Hunt presents a brief lesson on point of view that should answer all your questions in practical, simple terms. You don't need an entire book to understand it--you only need these thirty pages. These lessons, Hunt says, are brief for a reason! I don't want you to spend most of your time reading how-to books. I will give you what you need so you can put what you've learned into practice. That's the best way to improve. Enjoy this writing lesson for a fraction of the cost of attending one of Angela's writing classes--your writing will never be the same. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
