THE STORY OF CHE

Fringe Squirrel Press, United States, 2011. Paperback. Book Condition: New. Justin Walling (illustrator). 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.This colorful story of how a boy from Guatemala came to be part of a family in the United States is a tool to introduce the topic of adoption to adopted and non-adopted children alike. Justin Walling chose to illustrate the family using birds of various colors, providing a platform for understanding the similarities and differences embedded in multi-cultural families. We are living in a world where families come in all shapes, numbers, and colors, says Dougherty. Often those familial colors are monochromatic, but more and more today we are seeing something beyond that, something a little less simple. *The Story of Che* addresses that. Using birds of various and brilliant colors, Justin Walling's illustrations provide the platform for understanding the similarities and differences involved in multi-cultural...
