

Synchronicity: The Art of Coincidence, Choice, and Unlocking Your Mind

By Kirby Surprise

New Page Books. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. Synchronicity is teeming with delightful and often compelling surprises about the nature of meaningful coincidences in contemporary life. The authors prose is playful, provocative, and profound. Though you may not agree with all of Professor Surprises conclusions, this book should be required reading for anyone wanting to understand the magnificence and mystery of synchronicity. -- Gary E. Schwartz, PhD, professor of psychology and medicine, The University of Arizona, and author of The Sacred Promise An interesting mix of mythology, neuroscience, and common sense, this book takes a serious, but light-hearted look at the way synchronicity works and the degree to which it can be controlled. Going well beyond the ideas of Jung, synchronicitys discoverer, psychotherapist Surprise draws on anthropology, String Theory, and Walt Disney to make the case that our internal states do effect external events. . . . --Anna Jedziewski, New Age Retailer The experience of meaningful coincidences is universal. They are reported by people of every culture, every belief system, and every time period. Synchronicity examines the evidence for the human influence on the meaningfulness of events, and the way the modern computational model of the...
