Fast Facts for the Neonatal Nurse: A Nursing Orientation and Care Guide in a Nutshell

By Michele R. Davidson

Springer Publishing Co Inc, United States, 2014. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book. This convenient and easy-to-use orientation reference and care guide provides new neonatal nurses and their preceptors with the core information they need to provide all aspects of safe, effective, holistic care to newborn infants and their families. Addressing the needs of both low-risk and high-risk infants, the guide presents specific, evidence-based interventions in consistently formatted chapters. A special orientation guide is featured in each chapter to acquaint the new neonatal nurse with essential information on procedures, policies, equipment, medications and evidence-based protocols. Content is divided into key topic areas including physiological adaptations to birth, newborn assessment and basic newborn care, newborn nutrition, common and high-risk neonatal conditions, special topics and information based on a family-centred care model that addresses parent assessments, needs and discharge instructions. Features such as Fast Facts in a Nutshell and tables with easy-to-read lab values and data reinforce information. Chapter objectives highlight procedures and policies to know as well as needed equipment, supplies, medications and evidence-based protocols. Appendices include skills checklist, commonly used medications, abbreviations and lab values. Pocket-sized and providing essential information at a...
