Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

OFFICE OF INSPECTOR GENERAL AUDIT REPORT: COMPENSATION ISSUES CONCERNING AIR TRAFFIC MANAGERS, SUPERVISORS, AND SPECIALISTS: PROJECT ID: AV-2001-064

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.At the request of Representatives Frank Wolf and Donald Manzullo, we conducted a review of pay parity within the FAA s Air Traffic line of business. We found that FAA s decision to limit managers, supervisors and specialists (MSS) pay to field facilities has resulted in pay inequities within the Air Traffic line of business. The inequities have been further compounded by FAA policies allowing employees who transfer to headquarters or regional positions from field facilities to retain their higher salaries. Differences in pay are not based on individuals experience or qualifications, and are not a reflection of the duties and responsibilities of the position itself. FAA s proposed corrective actions address some aspects of the pay inequities, but not the underlying problem of linking pay, position, and performance - key tenets of FAA s personnel reform efforts. We recommend that FAA evaluate all MSS positions and ensure that pay bands are aligned to reflect the position s duties, responsibilities, and importance to FAA s missions.
