Hachette, Gurgaon, 2016. Soft cover. Book Condition: New. 22 cms. 342pp. At 03:02 on a Sunday morning, the world as we knew it came to an end. Mumbai suddenly went black - no electricity, no phones, no internet and no working cars. It was as if someone had turned off the master switch of our civilization, turning us back hundreds of years overnight. We learned that it was not just Mumbai, but much of the world that had been impacted. We also learned that it was no accident. A deadly enemy was behind it. An enemy that was now in our midst, seeking to conquer us and destroy our way of life. This is how our war for freedom began. A war that was to be waged not on the borders or by the Army, but in our homes and streets, with us as the soldiers. This is our story.
