

Anton Reiser: A Psychological Novel (Penguin Classics)

By Moritz, Karl Phillip

Penguin Classics, 1997. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In this memorable autobiographical novel Karl Philipp Moritz turned his emotionally turbulent early life into the unsparing story of a shy, lonely youth struggling to find his place in the rigidly stratified social order of late eighteenth-century Germany. Raised by members of a mystical Protestant sect, Reiser is sent as a charity pupil to a school for the sons of well-to-do shopkeepers and professional men. The poorly dressed and inexperienced boy feels humiliated and yearns for middle-class comforts and academic success. Depressed and driven to near-madness, he devotes himself ardently to the frustrating world of literature and acting. Writers like Rousseau and Boswell made the later eighteenth century a great age of biography and autobiography; this superb novel ranks alongside them in its introspective insight.
