BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 38 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. The Departments of Defense (DOD) and State (State) and the U. S. Agency for International Development (USAID) and others are involved in economic development activities in Iraq and Afghanistan. In June 2006, DOD established the Task Force for Business and Stability Operations (Task Force) to support its related efforts. The National Defense Authorization Act (NDAA) for Fiscal Year 2011 required that DOD, State, and USAID jointly develop a plan to transition Task Force activities to State, with a focus on potentially transitioning activities to USAID. Under the authority of the Comptroller General of the United States to conduct work on his own initiative and with additional congressional direction, GAO identified (1) factors to consider in planning any transition of Task Force activities and (2) the extent to which the Task Force established guidance to manage its activities and has shared information with other federal agencies. GAO analyzed documents and interviewed multiple agency officials in Washington, D. C. , Iraq, and Afghanistan. This item ships from La Vergne, TN. Paperback.
