Would you be surprised to learn there is Proof of God Would you wonder why that proof has been censored from the public When Karl Marx was asked to describe his primary objective in life, he responded, To dethrone God and destroy capitalism. Joseph Stalin explained, America is like a healthy body and its resistance threefold: its patriotism, its morality and its spiritual life. If we can undermine these three areas, America will collapse from within. Albert Einstein once said he was looking for God in the universe. Einstein found Him and inside these pages, so will you! This amazing book opens the closet door allowing the light to shine on the Proof of God we so desperately need to prop America back onto her foundation and save her from the downward spiral that threatens her very existence in the 21st century. Parents take note: this book will give you the factual information you need to dispel the falsehoods being taught to your children in our government schools. This book is Americas foremost debriefing guide! Without God, nothing we do will matter. This item ships from La Vergne,TN. Paperback.
