Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

"Dr. Rosenthal catalyzes conversations around adversity with tales of wisdom and survival that we can all treasure." Mehmet C. Oz, M.D. "Insightful . . . could help many of us cope with life's inevitable obstacles . . . The book's titular message that adversity can be a gift is especially relevant now." Jane Brody, The New York Times "Will help you see the value in your struggles. Arguing that personal growth can't happen without setbacks, Norman Rosenthal challenges readers to re-interpret adversity as a key element of empathy, maturity, and success." New York Daily News "Rosenthal captures both the complexity of our emotions and the pragmatics needed to harness them." Andrew Solomon "I really loved Dr Rosenthal's book. adversity can be a great teacher" David Lynch "Norman Rosenthal is a psychiatrist with a special talent for turning research evidence into practical advice." Peter D. Kramer, M.D, Bestselling author of Listening to Prozac "Dr. Norm is cosmonaut of consciousness, launching into the the murky abyss and returning with meteoric treasures for us all. His writing on the value of adversity may come to be regarded by Alien archeologists as a Rosetta Stone in understanding how we advance as individuals and as a culture." Russell Brand "In addition to being one of our nation's more respected psychiatrists, Dr. Norman Rosenthal has a wonderful ability to translate complex scientific information into language that is clear, concise, and practical." Jerilyn Ross, Founder of the Anxiety Disorders Association of America and author of Triumph Over Fear "In this timely and beautifully written work, renowned psychiatrist and best-selling author, Norman Rosenthal, tells...
