A New Environmental Ethics: The Next Millennium for Life on Earth

By Rolston III, Holmes

Routledge, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This is an introduction to environmental ethics that only Holmes Rolston could write- at once gut-wrenchingly direct and poetically-inspired, it will attract new generations to the field that he did so much to create." 'e" Dale Jamieson, New York University "Holmes Rolston's A New Environmental Ethics is new in the best sense: an honest, fresh appraisal of where we are and where we are heading. It likewise is old in the best sense. There comes a time to reflect on where we have been and why, what we have accomplished, and what we stand for. This is Rolston's time, and his is a voice that will be heard across generations." 'e" David Schmitz, University of Arizona "A succinct overview of the field from its most important thinker, this book is the indispensable introduction to environmental ethics." 'e" Willis Jenkins, Yale University "With characteristic rigor, Rolston proves once again to be a moral explorer par excellence. His new book not only surveys the existing terrain of environmental ethics literature, but it persuasively argues for following a greener, more life-respecting morality; it is an exemplary read for an environmental..."
