Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

ESSENTIALS OF CAPACITY MANAGEMENT

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Essentials of Capacity Management, Reginald Tomas Yu-Lee, ESSENTIALS OF CAPACITY MANAGEMENT Full of valuable tips, techniques, illustrative real-world examples, exhibits, and best practices, this handy and concise paperback will help you stay up to date on the newest thinking, strategies, developments, and technologies in capacity management. "Proper capacity management is the driving force behind outstanding corporate performance. Essentials of Capacity Management clearly describes its impact on operations, as well as how to use measurement systems and process analysis to enhance capacity usage. This is a solid foundation in capacity management for the business professional!" -Steve Bragg, Author "Although capacity management is a fundamental concern, it-like many other fundamentals-is often scanted. In fact, there's little that's more important to most companies than their ability to manage their capacity, which is simply the ability to do work. Essentials of Capacity Management does a great job of giving a quick, yet thorough, overview of the many considerations involved." -Barry J. Brinker, Editor, Guide to Cost Management (John Wiley & Sons) "This book does an excellent job of relating processes to capacity. Managers and executives will better understand that managing the effectiveness and efficiency of processes reduces the amount of capacity required, thus providing an opportunity to reduce costs while improving process quality and reducing process time. It shows the relationship of capacity to demand on downstream processes. It shows that process flexibility reduces required capacity." -John Antos, President, Value Creation Group, Inc. The Wiley Essentials Series-because the business world is always changing, and so should you.
