Brand New Book ***** Print on Demand *****.The hard road back to India There are few books that can truly be said to be unique, but this is one. Afghanistan has been a battleground since man has occupied its hostile landscape and others have sought to control it as the corridor between great continents. The British-conquerors of the Indian sub-continent-have found themselves fruitlessly bleeding into its dry soil on several occasions. The first was in the mid-nineteenth century as they attempted to secure an unpopular puppet ruler on its throne. Error compounded error as Elphinstone, the British army s incompetent commander, compromised his strategic position in the capital and then, to extricate himself, instigated a forced retreat in winter as hostile tribesmen pressed in on all sides. History knows that this resulted in the annihilation of the entire army. Only a handful of people survived. One of these was Lady Sale, the formidable wife of Robert Sale whose brigade was fighting its own war locked inside Jellalabad. Incredibly Lady Sale kept a daily diary of her experience of the entire appalling catastrophe. It illuminates the events of the retreat uniquely and provides an inspiring view of a woman rising to the demands of extreme adversity that has no parallels.
