Wipf Stock Publishers, United States, 2009. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: Christians have been interpreting Scripture with an aim of deepening their life with God and each other from the very beginning of the church. The past twenty years or so have witnessed an explosion of scholarly writing devoted to the theological interpretation of Scripture. Stephen Fowl, as an active participant in and contributor to the burgeoning literature, has written an ideal companion for guests at the large and somewhat chaotic party, introducing them to important people, texts, and issues. The companion explores some of the connections between the long-running and essential Christian practice of theological interpretation and the more recent body of scholarly literature. Ultimately, the companion hopes to encourage readers to join the party in their own right. Endorsements: Steve Fowl has been both a pioneer and a leader in the return to theological interpretation. In this concise book, he offers us a truly theological and ecclesial account of theological interpretation. It is an inspiring, liberating, and practical work, encouraging all Christians to interpret Scripture so as to find our proper end in ever-deeper communion with God and one another in anticipation of the fullness of God's reign. --Michael J. Gorman, author of *Reading Paul* (Cascade Books) and *Inhabiting the Cruciform God* In this brief companion we find a focused, clear account of major themes in Steve Fowl's approach as well as gracious interaction with the work of others and numerous illustrative appeals to Scripture itself. This is definitely a case in which less is more: attention to this little book will prove very fruitful for engagement in biblical interpretation as a theological practice. --Daniel J. Treier, author of *Introducing Theological Interpretation...*
