Createspace, United States, 2013. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.You really do have the power to achieve your personal goals and live your dream life. Who hasn't dreamed of a life where this was true? There are two ways to respond to this vision. You could stand by and cite all the physical, emotional, mental, social, economic or geographical reasons that prevent your progress. Or, you could identify and remove the personal obstacles to achieving the success you desire to experience. From many years as a Life Coach, working with clients from all walks of life, I have found that there are three main issues that prevent the average person from Realizing Their highest Potential; time, money, and health. Some people have plenty of money, but very little time-freedom, and some people have time-freedom, but very little money. The key to realizing your highest potential is to have plenty of money, time-freedom, and good health, all at the same time. I realize that this is not easy to achieve while working for someone else, or while building a traditional business. This is why I was attracted to the network marketing profession. I discovered that it was a powerful way to have plenty of money, time-freedom, and good health all at the same time. The principles and strategies in this book will empower you to Realize Your Highest potential, and live your dream life. It represents a powerful way for you to experience the life that you deserve to live, and the right type of network marketing business is the perfect vehicle that can get you there. Having the right type of network marketing business is never just about the company, products, or training support. This is...
