Brand New Book ***** Print on Demand *****.Excerpt from Unpolished Pebbles In presenting this book to the public, knowing well, as I do, that it will ever remain a living tell-tale of an unschooled mind, I cannot help but feel abashed. However, I did the best I could. For the little storehouse of knowledge from which I have gleaned enough to compile this volume I am indebted chiefly to those three great, kind and impartial educators, Mother, Nature and the Public Press. I would have it understood that I do not present these verses under the mistaken idea that they are gems, but give them to you just as I found them, plain, unpolished pebbles picked up on the play grounds of the hard school of life; and if while scanning them you should find one stanza wherein my heart has beat in unison with yours I shall feel amply repaid.
