

Textbook of Administrative Psychiatry: New Concepts for a Changing Behavioral Health System (Hardback)

By -

American Psychiatric Association Publishing, United States, 2001. Hardback. Book Condition: New. 2nd Revised edition. 282 x 218 mm. Language: English . Brand New Book. Today's practice of psychiatric administration is totally different from that in past years because of the vast changes sweeping the health care and behavioral health care sectors. Reflecting these changes, this completely revamped second edition contains all-new chapters by 68 contributors (most new to this edition). This definitive textbook provides the practitioner and student of administration in behavioral healthcare with an up-to-date compendium focused on five central issues that represent the framework of the debate that will guide the evolution of behavioral health care during the next few years * An overview of the evolving behavioral health system, from the rich legacy of the community mental health movement mandated by federal legislation in the 1960s to today's paradigm, which is instead driven by the marketplace phenomena of managed care, information systems, and consumer empowerment.* Core and new administrative psychiatry concepts and new roles for behavioral health players, including organizational theories, leadership requirements, planning models, and information system solutions, as well as new models of program evaluation and quality management and innovations in training and...
