The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

FABER FABER, United Kingdom, 2009. Paperback. Book Condition: New. 194 x 126 mm. Language: English . Brand New Book. This is the first novel by John McGahern, originally published in 1963. Elizabeth Regan, after years of freedom - and loneliness - marries into the enclosed Irish village of her upbringing. The children are not her own; her husband is straining against his job in the police force; and her own life, threatened by illness, seems to be losing the last vestiges of its purpose. Moving between tragedy and savage comedy, desperation and joy, *The Barracks* is a novel of haunting power.
