Outskirts Press, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.As Nutank s children continue their legacy of personal liberty, the country is in the throes of its own Pathway to Liberty. Set against the backdrop of the American Revolution, Nutank faces his own struggles between accepting his children s opposing decisions regarding their involvement in the conflict and his personal belief that war only destroys lives, yet settles little. On a peaceful April morning in Vermont, while the pleasing sound of the loon s call was being heard across the placid waters of Lake Memphremagog, musket fire was shattering the morning s calm to the south on the village green at Lexington, Massachusetts. These first shots of the American Revolution were ushering in a new nation. But the birthing process would prove for many to be exceptionally long and exceedingly painful. The story begun in Abenaki Autumn continues as Nutank s family navigates the many different pathways to liberty confronting each of them.
