Not illustrated. 1921 Excerpt: .little book, which unfortunately is not of much service in this country because it deals with English law and English money, the following suggestions are offered to the accountant, public or otherwise, who intends to open a set of estate accounts: It may be assumed that all men, no matter how unmethodical they may appear, have a system of dealing with papers and documents; it may be a very bad and imperfect system, but it is there, and the accountant's first care must be to find it out, as, once found, it will materially assist him in understanding the testator's affairs. Sometimes it may not appear until weeks have been spent upon the papers, but there is little doubt that the system is there. First, it is desirable to run quickly through the papers, disregarding all which are manifestly irrelevant, then to classify the remainder,...
