Excerpt: .in the world, and which includes among its members some of the best known women in the Missouri city. It was designed by Architect S. B. Tarbet, who also supervised the construction. Harvey Stivers was the general contractor; and the Magill Plumbing Heating Co. installed both the plumbing and heating, the Kansas City Branch of Crane Co., furnishing all of this part of the material. Mrs. E. E. Steele was chairman of the building committee. The building faces on Linwood Blvd. and has a ground area of 90 x 88 feet. It has two stories and a full basement. The feature of the building is that the basement floor is on a level with the side street; and it has restrooms, modern kitchen and diningroom, with a seating capacity of 3 50. The heating plant is in the sub-basement. On the first floor are the main lobby, parlor and oflice, two classrooms, stage and auditorium and ballroom with seating capacity of 600. The second floor is divided into two classrooms, restroom, and music-room with seating capacity of 150. The music-room opens out on a balcony which connects it with the auditorium. The building is lighted throughout with semi-indirect lighting fixtures, furnished by the Johns-Manville Co. It is fireproof throughout and cost complete \$36,500. private baths. The plumbing fixtures are all of high grade, and the installation follows the practice of the most modern of firstclass hotels. On this feature we may quote from the...
