### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Trafford Publishing, Canada, 2005. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book offers variety as it lifts the lid on mediumship - a peek behind the scenes. Have you ever wondered how mediums know what they know ? Some of the answers are here. Have you ever thought about your own death, what it will feel like? Is there an afterlife or is death the end? The read is compelling, chapter after chapter of people s experiences such as astral journeys to other parts of the country and even to the Spirit world itself. Mediumship in children, and accounts of visual phenomena are fascinating, whilst the chapters describing poltergeist activity, premonitions about disasters and amorous spirits may leave you with a tingle down your spine! Ann discusses the emotive, often taboo, subject of suicide. People who have lost someone this way know how they feel about it, through her spiritual encounters during the course of her work, she is able to put across the feelings of the Spirits who committed suicide and find out what they have to say. Some chapters such as Humour from the Spirit World will make you laugh, whilst many others, such as Murder in a Phone Box and Lisa, may bring forth tears of emotion. Ann pays tribute, throughout her book, to her friend Jenny who passed to Spirit in 1995. Herself a psychic, she endured premonitions of tragic incidents such as Lockerbie in 1988. This book is for anyone with an open mind who wishes to know more about spiritual and psychic matters, I must warn you to be prepared for an emotional roller-coaster ride!.
