Createspace, United States, 2013. Paperback. Book Condition: New. 276 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.We often think our journey through life is entirely unique. Yet, ancient labyrinths, mandalas, and pathways found across cultures and epochs around the globe point to the common connections at the core of our humanness. In every age in every corner of the world, people have used similar techniques to listen deeply to the heart's longing-our highest calling-to get in touch with our own creative source and inner teacher. Mountain 10: Climbing the Labyrinth Within delivers a proven, simple, and accelerated method for directing your own change process using the compass of your heart. Gary Boelhower, Joe Miguez, and Tricia Pearce provide a powerful new technology, grounded in ancient methods, that teaches you how to pay attention to your own observations, feelings, images, and insights. A special labyrinth path known as a LABgraphic is used to trace your inner journey as the authors give you the tools you need to answer the questions and face the issues that are most important for you. Divided into chapters on ancient technologies used throughout the ages, clear preparation for your own internal climb, two versions of the Mountain 10 process, and a template for applying your insights and integrating your new vision, it guides you to get in touch with your own deepest wisdom-and find the courage to act on it. A profound tool to explore the diverse terrains and treasures of your rich inner knowing, the authors' transformational tour de force can be used by individuals, teams and organizations to access and put into practice personal, practical wisdom. Mountain 10: Climbing the Labyrinth Within provides a tested, effective strategy to listen to the vision that calls at the center...
